QDBmuoGV5SvrdRF

We will have program development details, look for developers at upwork.

There is no upper limit for this financing.

After the required program development is completed, the unused funds will be refunded.

The used funds will be rewarded with 2000%

These funds are differentiated according to time.

for example

Bob sent 100 AUSD to the financing address at 16:53:09 UTC on April 13, 2021
Alice sent 100 AUSD to the financing address at 12:34:56 UTC on May 21, 2021

Bob investment has been used, Alice investment has not been used.

Bob will continue to receive a portion of the profit until the total amount reaches 2000 AUSD
Alice will receive a refund of 100 AUSD

Details of all fund use will be published on the website.
